I agree. I'm shifting gears a lot on you in these e-mail strings so apologize – multi-tasking

I might set up some time with you, Shane and I to look at the reports in CAMPS. You seem to have it nailed. We're struggling. Are you trying to sit in on all of the imports training?

Mike, Jamie left you a message about this facility this morning. I think there's a calendar invite for July 10 recently revised for July 2. Below is some background on the kind of support the state is looking for. Look forward to talking to you more about this. Thanks!

Has this already been shared with NDEQ? I think it's a good idea to loop in air just so we're all on the same page.
